First published in 1976, Paul Johnson's exceptional study of Christianity has been loved and widely hailed for its intensive research, writing, and magnitude—"a tour de force, one of the most ambitious surveys of the history of Christianity ever attempted and perhaps the most radical" (New York Review of Books). In a highly readable companion to books on faith and history, the scholar and author Johnson has illuminated the Christian world and its fascinating history in a way that no other has. Johnson takes off in the year AD 49 with his namesake the apostle Paul. Thus beginning an ambitious quest to paint the centuries since the founding of a little-known 'Jesus Sect', *A History of Christianity* explores to a great degree the evolution of the Western world. With an unbiased and overall optimistic tone, Johnson traces the fantastic scope of the consequent sects of Christianity and the people who followed them. Information drawn from extensive and varied sources from around the world makes this history as credible as it is reliable. Invaluable understanding of the framework of modern Christianity—and its trials and tribulations throughout history—has never before been contained in such a captivating work. In the classic *Mere Christianity*, C.S. Lewis, the most important writer of the 20th century, explores the common ground upon which all of those of Christian faith stand together. Bringing together Lewis' legendary broadcast talks during World War Two from his three previous books *The Case for Christianity*, *Christian Behavior*, and *Beyond Personality*, *Mere Christianity* provides an unequalled opportunity for believers and nonbelievers

alike to hear this powerful apologetic for the Christian faith. "History of the Christian Church" is an eight volume account of Christian history which covers the history of Christianity from the time of the apostles to the Reformation period. The book deals with seven periods in the history of the church: The First Period of Church History - Apostolic Christianity; The Second Period of Church History - Ante-Nicene Christianity; The Third Period of Church History - The Church in Union with the Roman Empire; The Fourth Period of Church History - The Church among the Barbarians; The Fifth Period of Church History - From Gregory VII to Boniface VIII A. D. 1049-1294; The Sixth Period of Church History - From Boniface VIII to Martin Luther ; The Seventh Period of Church History - The Reformation. The Bible is a collection of sacred texts or scriptures that Jews and Christians consider to be a product of divine inspiration and a record of the relationship between God and humans. With estimated total sales of over 5 billion copies, it is widely considered to be the most influential and best-selling book of all time. This is the "American Standard Version" (ASV) - a Bible translation into English that was completed in 1901, with the publication of the revision of the Old Testament; the revised New Testament had been released in 1900. 'An exciting, engaging and intellectually serious book' Dr Rowan Williams, 104th Archbishop of Canterbury 'I think it's brilliant!' Bishop Stephen Cottrell How is it that a faith that began in 1st century Palestine with a handful of followers has become the largest movement the world has ever known? Christianity: A Complete Introduction traces the story of the Christian faith from sandals to cyberspace. It describes the origins and key ideas of Christianity and gives an account of how it looks in the modern world. Socially, scientifically, economically and politically, Christianity today inhabits a very different world from that of Jesus of Nazareth and his early disciples. Yet it seems to possess an inherent ability to survive and thrive in the face of great change. It remains a compelling and powerful faith in the

modern world, with a rich and diverse heritage. Whether you are preparing for an essay, studying for an exam, or simply want to expand your knowledge, *Christianity: A Complete Introduction* is your go-to guide. Reproduction of the original: *True Christianity* by Johann Arndt A complete and easy-to-follow guide to Protestant origins, beliefs, practices, and traditions Christians make up about one third of the world's population. Among those two billion followers, over 185 million are of the Protestant faith. What are the differences between Protestant and Catholic? Both are of the Christian faith, right? These questions and more are answered in *The Everything Christianity Book*—an easy-to-read, inclusive treatment to one of the world's oldest religions. Among the many questions answered: Who was Martin Luther? When did the Protestantism split from the Catholic Church? What are the differences between the different branches of Protestantism (Presbyterian, Methodist, Baptist, et. al.)? Do Protestant churches have a hierarchy similar to that of the Catholic Church? How are Christian holidays observed from the Protestant perspective? Christians and non-Christians alike—no matter what their denomination—will gain a new understanding of the rich diversity and complexities of Protestant practices and traditions. Full of facts and figures, names, dates, and places, *The Everything® Christianity Book* is a stimulating, thought-provoking book on the Protestant faith. Almost 200 contributors - a team of scholars from the United States, Europe and the British Commonwealth who are all experts in their subjects - have written over 300 major articles which the book contains. In addition, 166 'boxes' provide succinct summaries of information on a whole variety of issues, supplemented by a 'Who's Who' of key figures, along with illustrations, diagrams, maps, time chart, and a comprehensive index. The Guide assumes that its readers are completely unfamiliar with Christianity and is focused primarily on them: no word or idea goes unexplained. But at the same time it is based on a wealth of scholarship, so that it can serve as an

authoritative reference work. And for those who do not just want information but an answer to the fundamental questions of evil, suffering, death and the meaning of life, it offers possible answers based on the resources of the Christian tradition. In this ten-session video-based small group Bible study, *Faith Under Fire: Exploring Christianity's Toughest Questions*, Lee Strobel hosts interviews and debates between knowledgeable and passionate experts discussing what they believe and why they believe it. This dynamic study answers tough questions about the existence of God, Christianity and Islam, the reliability of the Bible, faith and science, and many others issues. In it, best-selling author Lee Strobel hosts spirited discussions between well-respected Christians, people of other faiths, and people with no faith at all, on the some of the most important spiritual and social issues of our time. The Participant's Guide will help you and your group sift through and gain understanding on controversial and relevant issues that surround the Christian faith and many of its most pertinent cultural issues. Each video session features lively but fair debate from both leading Christian and non-Christian voices. This pack includes one Participant Guide and one DVD. Sessions include: 1. Is the Supernatural Real? 2. Is Jesus a Prophet or the Son of God? 3. Did Jesus Rise from the Dead? 4. Do All Roads Lead to God? 5. Is the Bible Bogus? 6. Does Science Point to a Creator? 7. Is Anything Beyond Forgiveness? 8. Why Does God Allow Pain and Suffering? 9. The Mystery of the Trinity? 10. Do Christians and Muslims Worship the Same God? Scripture speaks much of the rewards for being a faithful servant of God. In this work, Gurnall speaks of the great rewards God will give His people in heaven and the relative few things He asks of us in return. "I am thrilled to know that *The Complete Book of Everyday Christianity* is being relaunched. A well-worn first edition of this book sits next to my office desk and I consult it often. There is no better collection of everyday issues examined from a Christian perspective. A wide variety of topics are addressed with a cleverly balanced combination

of academic and practical perspectives, informed by thoughtful biblical and theological reflection. This is a wonderfully useful tool. I am pleased that it will be available to resource a new generation of Christians who are eager to understand more about what it means to follow Christ in every aspect of life.” — Alistair Mackenzie, Senior Lecturer: School of Theology, Mission and Ministry, Laidlaw College, Christchurch, New Zealand. Also Director of Faith at Work (NZ) The Christian in Complete Armour provides daily readings packed with tools for spiritual triumph. Written in the seventeenth century by Pastor William Gurnall and compiled into 365 readings by editor James S. Bell, Jr., this collection supplies Christians with a soul-searching and inspiring supplement to the Bible. 'The best thought breeder in our library.' -Charles Spurgeon Acts is the sequel to Luke's gospel and tells the story of Jesus's followers during the 30 years after his death. It describes how the 12 apostles, formerly Jesus's disciples, spread the message of Christianity throughout the Mediterranean against a background of persecution. With an introduction by P.D. James "[This book] charts the transformation of one of the world's great religions during an age marked by world wars, genocide, nationalism, decolonization, and powerful ideological currents, many of them hostile to Christianity"-Amazon.com. One of the hot-button issues of our day is fully addressed in this comprehensive new resource on homosexuality. This well-researched and highly readable guide is the perfect go-to manual for families, church workers, counselors, pastors, civic leaders, schools, and those who themselves struggle with same-sex attraction. Readers will find the answers to these and many more important questions: What is homosexuality? Is the tendency for homosexuality genetic? How should the church respond? What's the proper response when a relative or friend announces they're gay? What are the legal and civic ramifications of homosexuality? Should homosexuals serve openly in the military? What about gay marriage and adoption? Authoritative authors Joe Dallas (Desires in

Conflict, When Homosexuality Hits Home) and Dr. Nancy Heche (The Truth Comes Out) tackle the hard questions about same-sex attraction in this helpful volume. All ten books of Eusebius' famous church history are presented here complete in a superb and authoritative translation. Eusebius' Ecclesiastical History is one of the first comprehensive, chronologically arranged histories ever written about the Christian church, and it is consulted by scholars and historians to this day. Eusebius authored his history as the Roman Empire's influence upon the European continent waned amid insurgencies and surrender of Roman lands to other peoples. This also a time in which Christianity's influence upon Europe's peoples burgeoned and grew. As one of a very few learned and scholarly Christians of his era Eusebius enjoyed a rare privilege: access to the document archives of the early Christian church. Much of these archives have since been lost; Eusebius' use of these long lost texts is the only window which readers of today have to such records. Thus, a sense of mystery is present as events for which scant evidence still exists are told. Christie and Gauvreau look at the ways in which reformers expanded the churches' popular base through mass revivalism, established social work and sociology in Canadian universities and church colleges, and aggressively sought to take a leadership role in social reform by incorporating independent reform organizations into the church-sponsored Social Service Council of Canada. They also explore the instrumental role of Protestant clergymen in formulating social legislation and transforming the scope and responsibilities of the modern state. The enormous influence of the Protestant churches before World War II can no longer be ignored, nor can the view that the churches were accomplices in their own secularization be justified. A Full-Orbed Christianity calls on historians to rethink the role of Protestantism in Canadian life and to see it not as the garrison of anti-modernity but as the chief harbinger of cultural change before 1940. The complete 3-book historical Christian fiction series by

the New York Times bestselling author of *Redeeming Love* and *The Masterpiece*. Travel to first-century Rome in this classic series and discover what has inspired millions of readers worldwide. This Collection bundles all three titles from the *Mark of the Lion* series into one volume. *A Voice in the Wind*, the first book in the trilogy, introduces readers to Hadassah, a young Jewish girl captured and sold into slavery but still holding firm to her faith in God. Though torn by her love for a handsome aristocrat, Hadassah becomes a shining beacon of light in the darkness and depravity around her. In *An Echo in the Darkness*, Marcus, a wealthy Roman aristocrat touched by Hadassah's sincere belief, begins to wonder if there's more to this life. As he continues to search for meaning and faith, he is led by a whispering voice from the past that could set him free from the darkness of his soul. The trilogy concludes with *As Sure as the Dawn*, which follows Atretes, the high chief of a Germanic tribe who fought as a gladiator and won his freedom. As Atretes sets out to return home with his infant son, only one thing stands in his way: Rizpah, a Christian widow who has cared for the baby since his birth. All three books in this latest Collection include a preface from Francine Rivers and discussion questions suitable for personal and group use. "Francine Rivers puts readers right into the history of the moment." —*Romantic Times* "Francine Rivers without a doubt is one of the finest storytellers of our generation. . . . No one reading her books will ever be the same again." —Debbie Macomber, New York Times bestselling author "As we 'watch' Hadassah and Atretes struggle through first-century trials, we learn how to handle similar situations in the twenty-first century. The 'costumes' may vary, but our Lord does not change." —Angela Hunt "Francine redefined Christian fiction—honest, unflinching, powerful, life-changing—demonstrating why storytelling is the most effective way to communicate God's truth. Every Christian novelist writing today owes a debt of gratitude to Francine Rivers for lighting the way." —Liz Curtis Higgs "Francine

Rivers writes from her heart to touch the hearts of her readers. Her books are essential reading for all who love Christian fiction.” —Bodie Thoene Bringing together over 1,200 prayers, both classic and contemporary, *The Complete Book of Christian Prayer* will prove an inspiring and practical resource for Christians of all denominations. This comprehensive collection encompasses a wider and more varied range of Christian prayers than any other anthology of its kind, making it an essential handbook for all who want to deepen and enhance their prayer life, as well as for those involved in leading others in worship - whether in church, in school, or in the home. Christianity, one of the world's great religions, has had an incalculable impact on human history. This book, now the most comprehensive and up to date single volume work in English, describes not only the main ideas and personalities of Christian history, its organisation and spirituality, but how it has changed politics, sex, and human society. Diarmaid MacCulloch ranges from Palestine in the first century to India in the third, from Damascus to China in the seventh century and from San Francisco to Korea in the twentieth. He is one of the most widely travelled of Christian historians and conveys a sense of place as arrestingly as he does the power of ideas. He presents the development of Christian history differently from any of his predecessors. He shows how, after a semblance of unity in its earliest centuries, the Christian church divided during the next 1400 years into three increasingly distanced parts, of which the western Church was by no means always the most important: he observes that at the end of the first eight centuries of Christian history, Baghdad might have seemed a more likely capital for worldwide Christianity than Rome. This is the first truly global history of Christianity. The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerical predictions. According to these, empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will

Self. This total child care book offers Christian-centered, medically authoritative advice on every aspect of parenting, from choosing an obstetrician to disciplining teenagers. As parents of eight children, William and Martha Sears draw on thirty years of practical and professional experience, resulting in a valuable reference book no family should be without. God has provided a way for all people, not just scholars, to know that the Bible is the Word of God. John Piper has devoted his life to showing us that the glory of God is object of the soul's happiness. Now, his burden in this book is to demonstrate that this same glory is the ground of the mind's certainty. God's peculiar glory shines through his Word. The Spirit of God enlightens the eyes of our hearts. And in one self-authenticating sight, our minds are sure and our hearts are satisfied. Justified certainty and solid joy meet in the peculiar glory of God. Do you want to learn what Christianity is all about? Are you a Christian leader studying Christianity? Are you a Christian Leaders Institute student who is studying the "Christian Basics: Introduction to Christian Doctrine?" You want a paperback edition. Maybe you are investigating the claims of Christianity? Are you a church leader who seeks to understand the fundamental teachings of the Church? What is Christianity? Christian Leaders Kindle Edition packs many incredible study features! Get the paperback access to the foundational teachings of Christianity written by Dr. Edwin Roels, a highly recognized Bible teacher! Tens of thousands of students at Christian Leaders College and Christian Leaders Institute have studied "What is Christianity?" This book is the foundational teaching for doctrine at Christian Leaders Institute. Student Reviews: Students are asked to review this book when they finish "Theology 101 - Christian Basics: Introduction to Christian Doctrine." Thousands have reviewed, "What is Christianity?" Here are the types of comments we see every day. "I learned and reaffirmed my beliefs in the Bible." "The materials are very rich, and I will use them for teaching new believers/discipleship

classes in the church." "I liked the simplicity and the reaffirmation of foundational truths in the Word." "What is Christianity? refreshed my memory in spreading the gospel and witnessing to others." "I have a better understanding of the most important topics in the Bible." "I usually only have a few minutes, if that, with the individuals in the motorcycle community that I am trying to reach. This course has helped me with making the most of those few minutes." "The material was easy to understand and very helpful." "Growing up in the Christian faith, it's easy to take many of the foundational Christian teachings for granted. As I worked through this Christian basics course, I found myself correcting my thinking in certain areas that I had mistaken before." "As a recent convert to Christianity, I loved how it broke down everything so simple and really explained the basics of Christianity." "It has been a long time since I have been able to pursue my calling. This course has helped me to strengthen and refresh my knowledge in Christian basics so that I can help spread the gospel to others." CIG to Christianity helps readers define what Christianity is all about, from the roots of Catholicism and the three streams of Protestantism, to "Christianity without borders"-fundamentalism, evangelicalism, the Charismatic movement, and "New Age" Christianity. Whether people are searching for the right Christian church for themselves or seeking to understand the differences between denominations, this book is a fascinating look at where Christianity is right now. How different are Catholic and Eastern Orthodox churches? Lutherans and reformed denominations? Quakers and Mennonites? Can you be a Christian without belonging to a church? The Complete Handbook of Christian Chaplain Ministry is the "go to" book for anyone called or curious about being a chaplain or even going into Christian ministry. Unlike other books on chaplaincy that focus on particular institutions (hospitals, prisons, military, etc.), this book focuses on equipping people for the Christian ministry aspect of chaplaincy: how to help others like Jesus

would. In these pages, readers will be motivated and challenged to pray and read the Bible more while also increasing their faith in God. Yet, it will also equip them to do Christian counseling, win spiritual warfare, perform funerals & weddings, become knowledgeable about CPR and First aid, how to relate to other cultures, what to do in a crisis situation, and so much more. “This book continues the Schaeffer-inspired project that Nancy Pearcey and Chuck Colson began in *How Now Shall We Live?*—awakening evangelical Christians to the need for a Christian ‘worldview,’ which Pearcey defines as ‘a biblically informed perspective on all reality.’ This is the rare long book that leaves one wanting to read more.” —Publishers Weekly “On one level, this book is a lucid, easy-to-understand manual for worldview thinking. But it also breaks new ground in worldview analysis.” —World Magazine “Pearcey is an outstanding writer with the ability not only to express deep thoughts in a very readable way, but one who also understands a biblically reformed world and life view. If you buy only one book this year, this would be at the top of the list.” —Equip for Ministry “Pearcey helps readers see how many modern Christians unwittingly accept a sacred/secular split, which allows them to relegate faith to the private sphere of life. She then clearly puts forth a Scriptural picture of integrating all of life under the liberating Lordship of Christ and shows what that truth means for the areas of public policy, family life, science, business, law, education, and more.” —Covenant Magazine “Total Truth questions the modern American cultural attitude of keeping religion a private matter, claiming that Christianity’s truth is best served by being brought into the public sphere to maximize its influence.” —Midwest Book Review “Thoroughly researched, well-written and well-argued, Total Truth will prove to be a useful and easily accessible guidebook for many who seek to develop a comprehensive biblical worldview that affects not only beliefs but actions.” —CaliforniaRepublic.org *How can you liberate Christianity from its cultural captivity? In*

this superbly crafted cultural analysis, a noted author passionately argues that Christianity is truth about all reality, not just religious truth, and that to keep it privatized is stripping it of the power to challenge and redeem the whole of culture. Readers will discover the remarkable stories of those who have suffered for the cause of Christ throughout the course of history. This volume reveals what inspired the great heroes of faith and drove them to give their all. "Theologian Owen Strachan makes clear, wokeness is not true justice, nor is it true Christianity. While wokeness employs biblical vocabulary and concepts, it is an alternative religion, far from Christianity in both its methods and its fruit. A potent blend of racism, paganism, and grievance, wokeness encourages 'partiality' and undermines the unifying work of the Holy Spirit. It is not simply not the Gospel; it is anti-Gospel"-- For the first time in 400 years the Catholic Church has authorized an official universal catechism which instantly became an international best-seller, the Catechism of the Catholic Church. Using this official Catechism, the highly-regarded author and professor Peter Kreeft presents a complete compendium of all the major beliefs of Catholicism written in his readable and concise style. Since the Catechism of the Catholic Church was written for the express purpose of grounding and fostering catechisms based on it for local needs and ordinary readers, Kreeft does just that, offering a thorough summary of Catholic doctrine, morality, and worship in a popular format with less technical language. He presents a systematic, organic synthesis of the essential and fundamental Catholic teachings in the light of the Second Vatican Council and the whole of the Church's Tradition. This book is the most thorough, complete and popular catechetical summary of Catholic belief in print that is based on the universal Catechism. Offers suggestions on how to put Christ at the center of a wedding ceremony while making recommendations for original ideas about incorporating a gospel message into one's marriage vows, providing excerpts from Scripture,

prayers, classic readings, and advice on vow renewal and second marriages. Reprint. In response to the growing contemporary separation of faith from public life, Nancy Pearcey proposes an integrated Christian world-view as the solution. 'A searingly passionate book' - Bettany Hughes In *The Darkening Age*, Catherine Nixey tells the little-known - and deeply shocking - story of how a militant religion deliberately tried to extinguish the teachings of the Classical world, ushering in unquestioning adherence to the 'one true faith'. The Roman Empire had been generous in embracing and absorbing new creeds. But with the coming of Christianity, everything changed. This new faith, despite preaching peace, was violent, ruthless and intolerant. And once it became the religion of empire, its zealous adherents set about the destruction of the old gods. Their altars were upturned, their temples demolished and their statues hacked to pieces. Books, including great works of philosophy and science, were consigned to the pyre. It was an annihilation. A Book of the Year in the *Daily Telegraph*, the *Spectator*, the *Observer*, and *BBC History Magazine* A New York Times Book Review Editors' Choice Winner of the Royal Society of Literature Jerwood Award for Nonfiction This Christian formation text combines insights from social science, biblical studies, and ethics to present a dynamic vision of human holiness and wholeness. "Magisterial. . . . A learned, brilliant and enjoyable study."—Géza Vermès, *Times Literary Supplement* In this exciting book, Paula Fredriksen explains the variety of New Testament images of Jesus by exploring the ways that the new Christian communities interpreted his mission and message in light of the delay of the Kingdom he had preached. This edition includes an introduction reviews the most recent scholarship on Jesus and its implications for both history and theology. "Brilliant and lucidly written, full of original and fascinating insights."—Reginald H. Fuller, *Journal of the American Academy of Religion* "This is a first-rate work of a first-rate historian."—James D. Tabor, *Journal of Religion* "Fredriksen confronts

her documents—principally the writings of the New Testament—as an archaeologist would an especially rich complex site. With great care she distinguishes the literary images from historical fact. As she does so, she explains the images of Jesus in terms of the strategies and purposes of the writers Paul, Matthew, Mark, Luke, and John."—Thomas D'Evelyn, *Christian Science Monitor*

In one systematic volume, James Montgomery Boice provides a readable overview of Christian theology. With scholarly rigor and a pastor's heart, Boice carefully opens the topics of the nature of God, the person and work of Christ, the work of the Holy Spirit in justification and sanctification, and ecclesiology and eschatology. This updated edition includes a foreword by Philip Ryken and a section-by-section study guide. This 7 chapter book explains basic topics such as belief in God; the history and writing of the Bible; the person of Jesus; the nature of salvation and more. All presented in an easy to understand approach suitable for those less familiar with the Bible or the Christian religion.

**#1 Belief in God** - This first chapter in the series reviews the reasons why Christians believe in a Supreme Being. This idea is looked at from both a philosophical and theological perspective.

**#2 The Christian Religion** - In this lesson we will examine the Christian religion and see how it compares to the other major religions in the world.

**#3 The Bible** - This lesson examines the history of Bible authorship, how the Bible was organized into its present form, and some key reasons why Christians believe that it is inspired by God.

**#4 Jesus Christ** - The Christian faith is based on the person of Jesus Christ. In this lesson we will look closely at this person in order to more clearly define His true nature and character.

**#5 Salvation** - This lesson lays out the simple yet powerful plan that God has initiated to save mankind from eternal condemnation due to personal sin and how Jesus Christ fits in to this plan of salvation.

**#6 The Church** - The church is the physical presence of Jesus Christ in the world today. In this lesson we will examine the New Testament in order to

determine what the inspired text says the church should be like and how it should function. #7 The Christian Lifestyle - A final lesson describing the new motivation and lifestyle that God has designed for those who are followers of Jesus Christ. ----- BibleTalk.tv -----
