improve your health, career, business and more. Waste no more time, scroll up and click "Add to Cart" now. Magic is a vast, ever-changing landscape. There is always something new to learn. And when you are first starting out, even books written for beginning witches can seem overwhelming. There are so many new terms and tools. How are you supposed to become familiar with them all? The answer is inside this copy of *Witchcraft Supplies*.

Witchcraft Supplies A Guide for Solitary Practitioners to the Tools a Witch Needs for Her Rituals and Spells is a book focused solely on the tools you need to know when you begin your magical journey. And, as the world of magic is so vast, even experienced witches might learn something new from *Witchcraft Supplies*.

Some of the topics this book covers include: Some magical tools are so well-known that they have made their way into pop culture. Witches in movies, TV shows, books, and comics all rely on the same tools for their spells. But are those tools

your only options? No, they are not! And in this book, you will learn about all the popular tools plus many, many more. All tools have to be cared for if they are to keep doing their jobs. But caring for magical tool goes well beyond keeping them free of visible grime. This book will teach you how to cleanse your tools of negative and unwanted energy, no matter what the tool is used for or made of. Tools don't always do the same thing for every spell or even every witch. The tools you need may vary depending on the intent of your spell or the specifics of your magical practice. *Witchcraft Supplies* will help you identify the best tools for the task you have in mind. Although you can buy most magical tools in stores, there are some you have to make for yourself. And this book will tell you how! *Witchcraft Supplies* has an entire chapter dedicated to tools that any DIY-friendly witch can whip up between spells. You might be brand new to the world of magic or you might already know your way

around a ritual. Either way, there is so much out there to learn. Taking the time to learn the in-depth nature of magical tools will help build a strong foundation for the rest of your magical practice. *Witchcraft Supplies* is written specifically to help you build that foundation without restricting you to one kind of magic or referencing only the most well-known tools. From ritual knives to grimoires to herbs, *Witchcraft Supplies A Guide for Solitary Practitioners to the Tools a Witch Needs for Her Rituals and Spells* will tell you everything you need to know for you to help you develop and deepen your understanding of magic. A witch who knows her tools is a witch who can put them to their full use. And you can be that witch. Let *Solitary Moon* help you get to know your tools as well as you know your own energy so that the two work together in the kind of harmony that only magic can bring. *The Ultimate Book of Shadows for the New Generation* This book has everything a teen Witch could

want and need between two covers: a magickal cookbook, encyclopedia, dictionary, and grimoire. It relates specifically to today's young adults and their concerns, yet is grounded in the magickal work of centuries past. Information is arranged alphabetically and divided into five distinct categories: (1) *Shadows of Religion and Mystery*, (2) *Shadows of Objects*, (3) *Shadows of Expertise and Proficiency*, (4) *Shadows of Magick and Enchantment*, and (5) *Shadows of Daily Life*. It is organized so readers can skip over the parts they already know, or read each section in alphabetical order. Features By the author of the best-selling *Teen Witch* and mother of four teen Witches *A jam-packed learning and resource guide for serious young Witches* All categories are discussed in modern terms and their associated historical roots Includes endnotes and footnotes that cite sources or add clarification A training companion to *Teen Witch* and *To Ride a Silver Broomstick*

Everything You Need to Know About Wicca, from Best-Selling Wicca Author Lisa Chamberlain

It is estimated that there are over 1 million practicing Wiccans around the world today. But what is it that has made these people turn their back on the formal, structured religions that encompass the majority of the Western world? In our modern, high-pressured world, many of us fail to take notice the sheer beauty of the natural world surrounding us. In many ways, this is a travesty: the world we live in today seems so completely distant from the one our ancestors lived in, a world where humans and nature were at one, their existence intertwined in the natural cycles of life. Wicca is a new way of life, a religion that takes you back to a more simple time, before the invention of the high-tech gadgetry we see all around us. You will learn to live and appreciate the natural world that surrounds you, celebrating the intricate changes in the seasons and everything they bring - from

the bounties of the Summer harvest, to the cold and darkness of the Winter months, as Mother Nature rests in preparation for the next explosive cycle of life that Spring brings. Wicca is a re-incarnation of the very earliest religions, long pre-dating Christianity. Wiccans celebrate and share many of the same beliefs that these early people held, and try to embrace their way of life, all while remaining fully-functional in today's modern world. Getting Started as a Wiccan If you're sold on this new, exciting, peaceful way of life, that's great! Good to have you on-board. Unfortunately, and despite this commitment, this is where many people get stumped. One of the biggest questions I hear would-be Wiccans ask: "how do I start practicing Wicca?" The truth is, there is no right answer. If you endeavour to learn as much as possible about this religion, follow the core principles (for example, the Threefold Law), and revere the natural world surrounding you, as far as I'm concerned,

you're a Wiccan. If you're just starting out, I'm sure this vague answer is of little help to you! That's why I set out to write this mini-series of books, titled *Starting Your Journey*. In this particular book, you'll learn everything you need to know about Wicca traditions - including solitary practitioners, eclectic witches, covens, and circles. The Main Wiccan Traditions Practicing magic isn't compulsory for Wiccans, however many people are inevitably attracted to the religion by the potential to positively change their lives for the better. As such, spellwork is one of the most discussed parts of being Wiccan. If you want to start practicing magic, it can help to join like-minded individuals. Both covens and circles can provide you with a sense of belonging by joining a small Wiccan community. As well as the social aspect, they are a great place to acquire knowledge, and many will mark the important Wiccan dates - the sabbats and esbats - with rituals and celebrations. In this book, we'll be looking at

everything you need to know about covens and circles, including their history, their structures, and how to join one. Don't worry, though - not everyone wants to be part of a community, and that's perfectly fine, too. In this book, we'll be discussing all of your options, including a solitary path. We'll also look at the main Wiccan traditions: Gardnerian, Alexandrian, and Dianic, as well as a handful of less common traditions. You don't have to follow one of the traditions rigidly - and indeed, many Wiccans don't, choosing to become eclectic practitioners. If you need help finding your place within the Wiccan community, you're in the right place. *Wicca: Finding Your Path* will teach you everything you need to know about starting your own Wiccan journey, today! "A step-by-step guide to Wicca as a lifestyle; practical, easy to read, and no-nonsense in tone." —Shelley Rabinovitch, author of *The Encyclopedia of Modern Witchcraft and Neo-Paganism* and *The Father of American Wicca*,

Raymond Buckland, provides this indispensable, comprehensive handbook to the solitary practice of Wicca through every season of life. For readers of *The Green Witch* by Arin Murphy-Hiscock and *The Spell Book for New Witches* by Ambrosia Hawthorn, this modern guide will help you learn to add depth to your solo practice from a master of his craft. *Wicca for One* is a journey through expert advice on becoming a Witch and improving your life through magic. You will learn how to master spells, rites, traditions, and celebrations alone while learning the following:

- The advantages and drawbacks of practicing solitary Wicca
- Constructing the tools and sacred space needed to create magic every day
- Using dreamwork, tarot cards, crystals, nature, astrology, and other divinations
- Maintaining ethics without the guidance of a coven
- Developing the power to heal and to ward off negativity

Let *Wicca for One* be your guide and inspiration as you travel

the time-honored path of the solitary practitioner. "A complete handbook of rites, rituals, and ultimately personal empowerment. Truly a guide for magickal living, and for all seasons of life." —Anthony Paige, author of *Rocking the Goddess* An elegant solitary witches grimoire. Enough pages for a year and a day. Perfect for maidens, mothers, and crones. Each page appointed a regal Griffin to grace your spells, blessings, hexes, and dedications. *Journal The Wheel of the Year*, also formatted for sketches as a *Book of Shadows*. Teen witches and young adults should always archive their magickal journey, on the path of personal transformation. Clear and easy to follow, *Spells for the Solitary Witch* explains how to prepare and cast spells 87 spells in all together with the materials needed for each spell and the incantations to say that will ensure the best results. Tailored to the needs of solitary witches, Holland suggests alternatives to hard-to-find ingredients, as well as

directions about where to find specific ingredients crucial to a spells success. Explore the lessons taught by good witches throughout literature. The author takes a look at Nathaniel Hawthorne's *The Scarlet Letter*, Paulo Coelho's *The Witch of Portobello* and George Spere's *The Witch of Blackbird Pond*. A Capstone Graduate Project of interest to those who question the value of studying witches in literature. The witch is not merely someone who does magic; she represents the courageous one who dares walk a solitary path. (Literary thesis, university level reading) Featuring everything a teen witch could want and need, "Solitary Witch" includes a magickal cookbook, encyclopedia, dictionary, and grimoire. It relates specifically to today's young adults and their concerns yet is grounded in the magickal work of centuries past. Within modern Wicca, the urge still exists to find a particular school of study. Covens are an option for some, but they can be hard to find. Even when you find one, it

may not satisfy your particular quest. In addition, many people who desire more direct access to their god or goddess choose to practice alone. This book is the solution to all of these dilemmas. *Solitary Pagans* is the first book to explore the growing phenomenon of contemporary Pagans who practice alone. Although the majority of Pagans in the United States have abandoned the tradition of practicing in groups, little is known about these individuals or their way of practice. Helen A. Berger fills that gap by building on a massive survey of contemporary practitioners. By examining the data, Berger describes solitary practitioners demographically and explores their spiritual practices, level of social engagement, and political activities. Contrasting the solitary Pagans with those who practice in groups and more generally with other non-Pagan Americans, she also compares contemporary U.S. Pagans with those in the United Kingdom, Australia, and Canada. Berger brings to light

the new face of contemporary paganism by analyzing those who learn about the religion from books or the Internet and conduct rituals alone in their gardens, the woods, or their homes. Some observers believe this social isolation and political withdrawal has resulted in an increase in narcissism and a decline in morality, while others argue to the contrary that it has produced a new form of social integration and political activity. Berger posits the implications of her findings to reveal a better understanding of other metaphysical religions and those who shun traditional religious organizations. Creating and keeping of a book of shadows is an instrumental step in the study of magick and witchcraft. *A Witch's Grimoire* helps serious practitioners explore their love of the Craft, deepen their study of magick and walk their personal pathway to the Divine. It is part workbook, part guidebook—an essential reference as well as a personal recording of original spells. The book includes: A

brief history of the grimoire
Options for the creation of a grimoire
Special book blessings
Traditional and personal invocations
Commonly used gemstones and magickal herbs/herb blends
Spells, recipes and rituals for every holiday
Writing space for readers to keep their own records
A Witch's Grimoire encourages readers to create unique personalized journals that will last for generations to come. Magic is a vast, ever-changing landscape. There is always something new to learn. A revised and expanded edition of the first text in the Folk Witchcraft series. Complete with practical exercises, descriptions of craft theories and models, and a beginner's working grimoire, Folk Witchcraft provides the student witch with a concise, yet thorough introduction to the

old craft that is firmly rooted in the past and adapted for the present. Experienced witches will deepen and enrich their practices by connecting more fully to traditional magics from hundreds of years in the past. With over 50 rituals, charms, and exercises, Folk Witchcraft offers a refreshingly simple approach to the craft that is non-dogmatic, flexible, and rewarding as a regular spiritual practice. The author of the popular Green Witchcraft series presents her personal Book of Shadows, designed for you to use just as she uses it—as a working guide to ritual, spells, and divination. This ready-made, authentic grimoire is based on family tradition and actual magical experience, and is easily adaptable to any tradition of Witchcraft. Grimoire for the Green Witch offers a treasury of magical information—rituals for Esbats and Sabbats, correspondences, circle-casting techniques, sigils, symbols, recitations, spells, teas, oils, baths, and divinations. Every aspect of Craft practice is

addressed, from the purely magical to the personally spiritual. It is a distillation of Green practice, with room for growth and new inspiration. 2004 COVR Award First Runner Up "This complete self-study course in modern Wicca is a treasured classic - an essential and trusted guide that belongs in every witch's library."---Back cover Magic is a vast, ever-changing landscape. A witch who knows her tools is a witch who can put them to their full use. And you can be that witch. Let Solitary

Moon help you get to know your tools as well as you know your own energy so that the two work together in the kind of harmony that only magic can bring. Buckland's *Book of Saxon Witchcraft* was one of the first books to explore Wicca from a solitary perspective. Originally written 30 years ago to correct abuses he saw occurring in covens, Buckland offered Wiccan seekers an introductory text on Saxon witchcraft or Seax-Wicca, which can be practiced alone. Buckland presents meticulously researched information on the time-honored tradition of Saxon witchcraft. He writes cogently and informatively about the history, mythology, spiritual practices, and witchcraft of Saxon England. *Book of Saxon Witchcraft* includes everything the solitary witch needs to practice Seax-Wicca, including: Descriptions of the Saxon deities and explanations of their primary beliefs An introduction to the magical runic Saxon alphabet A selection of original Pagan

songs A selection of Seax-Wiccan recipes for intoxicants Instructions for initiation ceremonies, the eight Sabbats, marriage, birth, and death rites An explanation of the art and practice of Saxon Galdra or magic and the divination and herbal lore used for protection, love potions, and healing The Seax-Wicca Rite of Self-Dedication, which allows individuals to form their own covens and initiate themselves into the Craft An indispensable handbook for solitary witches or for witches in covens who want to explore Saxon witchcraft. Originally published as *The Tree: The Complete Book of Saxon Witchcraft*, this edition offers a new introduction by the author to guide a new generation of witches into the art and practice of Seax-Wicca. People who are drawn to the pagan way or the way of the Craft are often alone, with many questions about who and what they are, and about lifestyle. This book engages readers in a dialogue that will help them understand the Wiccan path.

Thompson talks about making a personal Book of Shadows, working with rituals and spells, working in the Circle, the witch within, and understanding the Goddess, the Earth Mother energy that is behind all that you do. Within modern Wicca, the urge still exists to find a particular school. Covens are an option for some, but they can be hard to find. Even when you find one, it may not satisfy your particular quest. Other practitioners live in areas where it is not as easy to "come out of the broom closet," so they have little access to groups. Additionally, many people who desire more direct access to their god or goddess choose to practice alone. Self-Initiation for the Solitary Witch is the solution for all of these dilemmas. This much-needed text leads practitioners through five-degree studies, from beginning concepts all the way through more advanced and integrative practices: First Degree: Path of Intellect, Second Degree: Path of the Heart, Third Degree: Path of the Soul, Fourth Degree: Path

of the Physical, and Fifth Degree: Path of the Mysterious. Each Degree is a complete course of study. If you are looking for a path to further spiritual development that you can do in your own time and on your own terms, this is the one book you need. A Simon & Schuster eBook. Simon & Schuster has a great book for every reader. Boasting more than 100,000 copies in print, this indispensable guide has been revised and updated. Silver RavenWolf dishes out tried-and-true Witch wisdom, covering the essentials of Witchcraft. • New cover • New interior design • New edit

Would you like to learn everyday Witchcraft on your own, but you don't have more than 10 minutes a day? The solitary Witch's Green Book is a brief but complete manual of traditional witchcraft which can be useful to beginners and intermediate level Witches who practice mostly alone. In its pages you will learn many secrets of Witchcraft, which will help you shape your magical path and cast your

own spells in no time. The book is designed as a six-week plan, with informative text and illustrations, and optional small practical tasks for every day, which you can complete in a notebook or journal. It is much more than a Witchcraft spell book. Some of the subjects you will read about in this book are: The differences between traditional, Wiccan, and other kinds of Witchcraft, The tools you need to become a Witch, and how to craft them on your own in a sustainable and budget-friendly way, How to work with candles, crystals, herbs and other spell ingredients, How to use different divination methods, such as Tarot cards, runes and pendulums, How to perform many diverse spells and customize them for your own needs: you will find ethical love spells, money spells, and many more, How to work with the Moon, How to meditate, cleanse your magical tools and create magical shields, How to create an altar, cast a magical circle and use correspondences in your spells, How to work with

Astrology and Numerology. You can also purchase separately The Solitary Witch's Green Journal, by the same author, and start working on your own book of shadows today, with the help of this book. The key to all Wiccan practice is ultimately solitary because developing real growth and awareness begins inside each individual. The Solitary Wiccan's Bible is for any reader wanting to go deeper into his or her understanding and experience of Wicca--alone. There are many reasons people seek a solitary path: fear of charlatans, concern about co-workers finding out or being misunderstood by others, or lack of family or social support for Wiccan practice. The Solitary Wiccan's Bible uses the metaphor of a solitary pilgrim walking a path and discovering natural and spiritual truths along the way. This pilgrimage is based on the ancient symbology of the Pentagram enclosed in the triple circle. The Solitary Wiccan's Bible leads the pilgrim to cross the circles,

moving from the Wilderness through the Home and Astral realms, to achieve the central Spiritual realm. Always down-to-earth and easy to understand, *The Solitary Wiccan's Bible* clearly lays out the Wiccan paths so any reader can follow. Chapters include: * The Pilgrimage of Wicca * The Pilgrim Enters New Realms * The Pilgrimage of the Pentagram * The Pilgrim's Wiccan Magical Path * The Practical Pilgrim's Spellwork * The Pilgrim's Talismans

The Solitary Wiccan's Bible provides background and practice in clear, accessible, and often humorous prose, making the book immediately useful to first-time seekers and long-time practitioners alike. "From Wiccan author Arin Murphy-Hiscock comes this fantastic guide to spiritual self-care with a witchy bent. *The Witch's Guide to Self-Care* contains recipes for products and spells for self-restoration." —Bustle

Self-care and magic work together in this guide to help you become the best version of yourself. You'll learn

how to nourish your body and spirit with herbal remedies, spells, and rituals inspired by witchcraft in this unique, enchanted guide to self-care. Self-care is a necessity for any modern woman. The goals of self-care are simple: healthy mind, healthy body, healthy spirit. This book helps you prioritize yourself with a little help from the magic of witchcraft. *The Witch's Book of Self-Care* has advice for pampering your mind, body, and spirit with spells, meditations, mantras, and powerful activities to help you to keep healthy, soothe stress, relinquish sadness, channel joy, and embrace your strength. This book features such magical self-care remedies: -A Ritual to Release Guilt: Learn to burn whatever causes you pain and process painful memories or work through heavy emotions in this therapeutic ritual. -Green Space Meditation: Learn how to reconnect with the healing energies of nature, even in the middle of a bustling city, as part of a series of meditations

based on the elements and your senses. -DIY Body Butter: Create your own custom soothing and smoothing body butter, powered by crystal and essential oils suited to your intention, and sanctified by a ritual. And much more! The Witch's Book of Self-Care shows you how easy it is to connect to the earth, harness your personal power, and add a little magic to your everyday life for a better you! Simply follow the steps for each method to see which one works best for you. Dreamwork Table-tipping Pendulums Crystal skrying Automatic writing Tarot Runes Spirit photography Dominoes Flame messages Praise: "Buckland brings his wonderful wisdom, insight, and experience together in this comprehensive guide for personal spirit communication."—Rosemary Ellen Guiley, author of *The Encyclopedia of Ghosts and Spirits Discover the magical way of worshipping God with The Christian Witch's Handbook* A complete and often entertaining book of shadows, with prayers, spells and worship for the beginning Christian Witch. Written to both guide, and bring understanding to those of

Christianity and other magical faiths. *Beginners Guide To Witchcraft* is exactly that. I wrote this book especially for the solitary witch as it can be very daunting when first starting on your path of learning and discovering. In this book you will find all the relevant topics and information needed to get you started, from the point of view of a Solitary Eclectic Witch. I cover topics such as Spell Casting for the beginner, Types of Witches, Colour Magick, Potions and Notions, Deities, Animals and Insects, The Psychology of Colour to name a few. I have included a Glossary as you will start to learn a whole new vocabulary on your chosen path. This book is designed to be informative and can be used as an aid as your journey starts to unfold. But the most important part of all is to have fun, and enjoy this whole new magickal life that is about to unfold in front of you. As a leading and respected Elder in the world of Wicca and Witchcraft, also as a teacher for over 50 years, I have

assembled for the 21st century Solitary Wiccan or Witch all the training given to the Seeker prior to Initiation into a Traditional Coven or Clan. This book is all that is the required of a Witchling. The Craft is not just about Spells or Magic as this is taught later, it is about Nature, listening and learning from the spirits of Nature, spirituality of the Divine Feminine and becoming one with the magic and mystery within our world and beyond. This book covers every topic needed to understand the full extent of what is within the world of the magic of Wicca in theory and practice. Since the birth of the internet in the 80s, less and less working covens remain to teach our Seekers the deeper insight and wisdom. This book will teach the Seeker how to climb the spiritual ladder of Wicca and find their own magic and Truth. A unique mix of memoir and how-to that includes practical daily Pagan rituals, this inspiring book shows how one woman blended Christian traditions with the magic and beauty of a Wiccan

practice. Raised in the Catholic faith, yet strongly drawn to Paganism, Adelina St. Clair spent many years questioning and soul-searching before she found a way to blend aspects of Wicca and Christianity into a vibrant and loving belief system. Filled with personal anecdotes, this book tells the story of St. Clair's journey of self-discovery and revelation, from her initial fear and guilt to her ultimate sense of peace and joy. With warmth and heartfelt reverence, St. Clair discusses vital aspects of Witchcraft and Christianity, as well as the commonalities between the two. Monotheism vs. polytheism Magical practice The teachings of Christ Goddess worship The femininity of God The Wheel of the Year Praying the rosary Sacred space Hedge Witch is a modern guide to the ancient path of the village wisewoman or wiseman. Written in the form of letters from an experienced witch to her two apprentices, solitary witchcraft is offered, not as a substitute for coven worship, but as a fulfilling

lifestyle in its own right. Rae Beth explains the importance of the Goddess and her consort, the Horned God, as sources of spiritual strength and worship. The author extols the feminine principles of healing and regeneration as well as attacking greed and self-interest which jeopardize the planet's very future. Rae Beth provides spells for all the key festivals of the witch's calendar; describes and outlines the Pagan approach to finding a partner. Her lyrical letters, accompanied by delicate pen-and-ink sketches, bring the reader towards a deeper understanding of the solitary witch's lifestyle and beliefs. *The Beginner's Guide to Wicca* is the essential companion for anyone new to the ancient practice of magic. Whether by necessity or choice, many witches start out on their spiritual journey alone. Kirsten Riddle provides the solitary witch with a friendly, straightforward introduction to witchcraft, filled with practical tips for incorporating the Wiccan way into every aspect

of your daily life. Kirsten dispels common misconceptions, explains the peaceful ethos of this nature-based spiritual practice, and provides a quick and easy quiz that allows you to discover your Wiccan strengths. Chapters cover topics such as herbal, moon, and kitchen magic, and include simple spells and rituals using everyday objects and household items. *Kirsten's easy-to-follow, modern spells* can be used to boost your creativity, improve your health, and revive your love life. With *The Beginner's Guide to Wicca* you will discover how to tap into the powerful energy of the natural world and take your first steps on the Wiccan path. "Eclectic Wicca is a breath of fresh air, both grounded in scholarship and deep knowledge and DIY ways to take what works for you and run with it." —Cerridwen Greenleaf, author of *The Witches' Spell Book* Are you seeking more contentment in your daily life? Could you use more abundance, including

improved health, greater prosperity, and more love? This charmingly illustrated book will greatly enhance your every day with rites, secrets, and Wiccan wisdom from author Mandi See. Eclectic Wicca pushes past the notion of an aged crone in this book for twenty-first-century spiritual seekers. Longtime Wiccan Mandi See shows how the path of Wicca can be customized to suit your lifestyle. In her words, "This book is for anyone who has a personal desire to take control of their lives, connect with nature and understand why they do the things they do." Brimming with lore from this wisdom tradition, Eclectic Wicca explores every aspect of "the good life" from: How to create an altar as your personal power center Which herbs and plants have properties to heal Celebrations for Sabbats and high holidays Wiccan meditations Wiccan visualizations Wiccan spells and incantations Instructive insights covering astrological aspects Phases of the moon Candle color alchemy And,

exactly which gods and goddesses to invoke Whether you are just getting started or want to add diversity to your spiritual practice, the inspired ideas in Eclectic Wicca will empower you to create a happy life filled with the best kind of magic. "The world I was looking at defied description. If it weren't for the haunting voice describing everything to me, I would have regarded it all as nothing more than a fluke; just another strange dream that I would probably forget. But this was no ordinary dream. I was being shown another world in an intentional and purposeful manner. The imagery before me did not change or shift as in a regular dream and when I had questions in my mind, the strange, calm voice would answer me in simple yet shockingly sophisticated ways. Then I suddenly found myself kneeling on the ground directly facing a thick hedge. I turned my head to the left and there she was, also kneeling and facing the hedge. She was looking at me, smiling warmly

and knowingly. It was her turn for a question and my answer would change things for me forever."For the Hedge Witch who develops the ability to ride the Hedge, they can straddle worlds at will and the advantages are many. The Hedge Witch's magic is based on seamlessly shifting themselves into the twilight plane, where miracles are commonplace and their magic flows freely. - As a newer amalgam emerging from and within the traditional paths, Hedge Craft draws from the most pragmatic aspects of witchcraft and shamanism, giving the witch a deeper understanding of their power and practical methods to access their potential. "A step-by-step guide to Wicca as a lifestyle; practical, easy to read, and no-nonsense in tone." —Shelley Rabinovitch, author of *The Encyclopedia of Modern Witchcraft and Neo-Paganism* The Father of American Wicca, Raymond Buckland, provides this indispensable, comprehensive handbook to the solitary practice of Wicca

through every season of life. For readers of *The Green Witch* by Arin Murphy-Hiscock and *The Spell Book for New Witches* by Ambrosia Hawthorn, this modern guide will help you learn to add depth to your solo practice from a master of his craft. *Wicca for One* is a journey through expert advice on becoming a Witch and improving your life through magic. You will learn how to master spells, rites, traditions, and celebrations alone while learning the following:

- The advantages and drawbacks of practicing solitary Wicca
- Constructing the tools and sacred space needed to create magic every day
- Using dreamwork, tarot cards, crystals, nature, astrology, and other divinations
- Maintaining ethics without the guidance of a coven
- Developing the power to heal and to ward off negativity

Let *Wicca for One* be your guide and inspiration as you travel the time-honored path of the solitary practitioner. "A complete handbook of rites, rituals, and ultimately personal

empowerment. Truly a guide for magickal living, and for all seasons of life." —Anthony Paige, author of *Rocking the Goddess* Cunningham's classic introduction to Wicca is about how to live life magically, spiritually, and wholly attuned with nature. It is a book of sense and common sense, not only about magick, but about religion and one of the most critical issues of today: how to

achieve the much needed and wholesome relationship with our Earth. Cunningham presents Wicca as it is today: a gentle, Earth-oriented religion dedicated to the Goddess and God. Wicca also includes Scott Cunningham's own *Book of Shadows* and updated appendices of periodicals and occult suppliers.
