**How to Rap** Aug 30 2020 Personal How to on how to rap and the basic fundamentals of hip hop

**Riding the Rap** Aug 18 2019 Palm Beach playboy Chip Ganz needs money - fast. He has spiralling debts, and his mother's gravy-train has just derailed. So he has a plan: he's going to find somebody rich, and take them hostage. With the help of an ex-con, a psycho gardener and the beautiful psychic Reverend Dawn, he chooses bookmaker Harry Arno as the lucky victim. The trouble is, Harry can scam with the best of them. And that's not the only problem. US Marshal Raylan Givens is sleeping with Harry's ex girlfriend, Joyce, and she wants Harry found. And when everyone's got a gun, someone is going to get hurt ...

[Does God Listen to Rap? Christians and the World's Most Controversial Music](#) Mar 25 2020 A lot of people think that if there is one style of music in the world that God hates, it has got to be rap. Some have even gone so far as to call rap, "An unclean thing before the Lord." They don't believe something originally associated with so much evil can ever be redeemed for God's glory. Lots of other people love and accept rap as their preferred form of musical expression. Many of these who are Christians can't imagine why God would have any issues with rap - at least, not with songs by believers that encourage and edify them in the faith. Who's right? And maybe more importantly, who cares? You should. And here's why. In the past 30 years, rap music has become a vital artistic and cultural force globally, and it's showing no signs of slowing down. Like it or not, you are probably exposed to rap in one form or another on a fairly regular basis. If you're interested in this book you may be a believer in Jesus who likes rap a lot, and as Christians, when we love something that is (if you hadn't noticed) closely associated with sin and rebellion, our justification for being involved with it really does need to go beyond, "Dude, this is good stuff." But maybe you're in a different category. Maybe you're a Christian parent, concerned that rap music may have a negative impact on your child. Maybe you're a youth pastor worried about having a rap concert at his church because of the potential pushback. Or maybe you're just a rap fan who is curious to see if there's even any biblical evidence for or against rap. To put it simply, if you've made it this far, this book is probably for you. Does God Listen to Rap? covers two areas. First, it presents a sociological history of the emergence and development of rap. If you enjoy rap and hip hop culture, you'll love this part of the book. Then the book explores the Scriptures to bring some biblical (not just personal or anecdotal) resolution to the question of God and rap. Ultimately, this involves a set of larger questions involving God and the arts. This is more than just an apologetic for rap music, this is a biblical way to think about how Christians can be in the world yet not of the world, and how they can express themselves to the glory of God. So, does God listen to rap? Come find out.

**Listen to Rap! Exploring a Musical Genre** May 19 2022 Listen to Rap! Exploring s Musical Genre

provides an overview of this kinetic and poetic musical genre for scholars of rap and curious novices alike.

**How to Rap** Dec 26 2022 Drawing on insights from more than 100 acclaimed hip-hop artists--including Cypress Hill, Nelly, will.i.am, Public Enemy, A Tribe Called Quest and more--the author offers a compelling how-to that covers everything from content and flow to rhythm and delivery in relation to the art and craft of rap. Original.

**Rap Capital** Jun 08 2021 A modern epic about the most consequential music culture today, Atlanta rap—a masterful, street-level story of art, money, race, class, and salvation from acclaimed New York Times reporter Joe Coscarelli. From mansions to trap houses, office buildings to strip clubs, Atlanta is defined by its rap music. But this flashy and fast-paced world is rarely seen below surface-level as a collection not of superheroes and villains, cartoons and caricatures, but of flawed and inspired individuals all trying to get a piece of what everyone else seems to have. In artistic, commercial, and human terms, Atlanta rap represents the most consequential musical ecosystem of this century so far. Rap Capital tells the dramatic stories of the people who make it tick, and the city that made them that way. The lives of the artists driving the culture, from megastars like Lil Baby and Migos to lesser-known local strivers like Lil Reek and Marlo, represent the modern American dream but also an American nightmare, as young Black men and women wrestle generational curses, crippled school systems, incarceration, and racism on the way to an improbable destination atop art and commerce. Across Atlanta, rap dreams power countless overlapping economies, but they're also a gamble, one that could make a poor man rich or a poor man poorer, land someone in jail or keep them out of it. Drawing on years of reporting, more than a hundred interviews, dozens of hours in recording studios and on immersive ride-alongs, acclaimed New York Times reporter Joe Coscarelli weaves a cinematic tapestry of this singular American culture as it took over in the last decade, from the big names to the lesser-seen prospects, managers, grunt-workers, mothers, DJs, lawyers and dealers that are equally important to the industry. The result is a deeply human, era-defining book. Entertaining and profound, Rap Capital is an epic of art, money, race, class, and sometimes, salvation.

[The Story of Rap](#) Oct 12 2021 From Grandmaster Flash to Jay-Z rap has shaped generations and transformed the charts. Bop along with the greats in this adorable baby book that introduces little ones to the rappers that started it all.

[How to Rap](#) Oct 24 2022 A first of its kind collection, How to Rap is an insightful and intelligent breakdown of the elements of rap for anyone wanting to learn the art form or understand the principles behind it. Author Paul Edwards examines the dynamics of hip hop from every region and in every form - mainstream, underground, current and classic - looking in particular at content, flow, writing and delivery. Edwards provides unparalleled access to the most acclaimed names in rap and their methods of working, with a foreword by Kool G Rap and interviews with over 100 artists, including Public Enemy, Mobb Deep, Schoolly

D, Nelly, will.i.am, Arrested Development, A Tribe Called Quest, and Rah Digga. This one and only comprehensive examination of the MC art form is pure gold for the hip hop lover.

**How to Rap** Sep 23 2022 "A complete guide to the art and craft of the MC, anyone who's serious about becoming a rapper should read this first." -Hip Hop Connection magazine "A clever breakdown of the art form of hip-hop rhymes... It's about time someone actually recognized this powerful music for its artistic integrity." -Speech, Arrested Development Examining the dynamics of hip-hop from every region and in every form-mainstream and underground, current and classic-this compelling how-to discusses everything from content and flow to rhythm and delivery. Compiled from the most extensive research on rapping to date, this first-of-its-kind guide delivers countless candid and exclusive insights from more than 100 of the most critically acclaimed artists in hip-hop-including Clipse, Cypress Hill, Nelly, Public Enemy, Remy Ma, Schoolly D, A Tribe Called Quest, and will.i.am-revealing the stories behind their art and preserving the genre's history through the words of the legends themselves. Beginners and pros alike will benefit from the wealth of rapping lore and insight in this remarkable collection."--

**Renegade Rhymes** May 27 2020 "Like many states emerging from oppressive political rule, Taiwan saw a cultural explosion in the late 1980s, when four decades of martial law under the Chinese National Party ended. As a multicultural, multilingual society with a complicated history of migration and colonization, Taiwanese people met their political transformation and newfound freedom with a host of stories waiting to be told and identities longing for expression. In *Renegade Rhymes*, ethnomusicologist Meredith Schweig shows how rap music has become a powerful outlet for exploring the complicated ethnic, cultural, and political history of Taiwan. Schweig draws on extensive ethnographic fieldwork to explain how rap's storytelling component became such a vital tool for working out Taiwanese identity and grappling with cultural history. She takes readers to rap festivals, music video sets, hip-hop clubs, and creative collectives in which members participate in rap battles and study under an experienced teacher. As Schweig shows, MCs from marginalized ethnic groups in Taiwan seized on this music of resistance, infusing it with important aspects of their own local identities, languages, and storytelling traditions. We see how these musicians localize rap as a way to challenge longstanding political mythologies and redeem individual and community narratives from the totalizing influence of government and commercial interests. Working against holes in the educational system and a neoliberal economy, new generations of rappers have used the artform to nurture associational bonds and rehearse rituals of democratic citizenship, making a new kind of sense out of their complicated present"--

**Ego Trip's Book of Rap Lists** Nov 13 2021 Ego Trip's Book of Rap Lists is more popular than racism! Hip hop is huge, and it's time someone wrote it all down. And got it all right. With over 25 aggregate years of interviews, and virtually every hip hop single, remix and album ever recorded at their disposal, the highly respected Ego Trip staff are the ones to do it. The Book of Rap Lists runs the gamut of hip hop information. This is an exhaustive, indispensable and completely irreverent bible of true hip hop knowledge.

**All Music Guide to Hip-hop** Jan 23 2020 This comprehensive guide is a must-have for the multitude of fans of today's bestselling popular music. It offers entertaining and informative reviews that lead readers to the best recording by their favorite artists and help them find new music to explore.

**Can't Stop Won't Stop** Apr 25 2020 Hip-hop is now a global multi-billion pound industry. It has spawned superstars all across the world. There have been tie-in clothing lines, TV stations, film companies, cosmetics lines. It even has its own sports, its own art style, its own dialect. It is an all-encompassing lifestyle. But where did hip-hop culture begin? Who created it? How did hip-hop become such a phenomenon? Jeff Chang, an American journalist, has written the most comprehensive book on hip-hop to date. He introduces the major players who came up with the ideas that form the basic elements of the culture. He describes how it all began with social upheavals in Jamaica, the Bronx, the Black Belt of Long Island and South Central LA. He not only provides a history of the music, but a fascinating insight into the social background of young black America. Stretching from the early 70s through to the present day, this is the definitive history of hip-hop. It will be essential reading for all DJs, B-Boys, MCs and anyone with an interest in American history.

**Listening to Rap** Aug 22 2022 Over the past four decades, rap and hip hop culture have taken a central place in popular music both in the United States and around the world. *Listening to Rap: An Introduction*

enables students to understand the historical context, cultural impact, and unique musical characteristics of this essential genre. Each chapter explores a key topic in the study of rap music from the 1970s to today, covering themes such as race, gender, commercialization, politics, and authenticity. Synthesizing the approaches of scholars from a variety of disciplines—including music, cultural studies, African-American studies, gender studies, literary criticism, and philosophy—*Listening to Rap* tracks the evolution of rap and hip hop while illustrating its vast cultural significance. The text features more than 60 detailed listening guides that analyze the musical elements of songs by a wide array of artists, from Afrika Bambaataa and Grandmaster Flash to Nicki Minaj, Jay-Z, Kanye West, and more. A companion website showcases playlists of the music discussed in each chapter. Rooted in the understanding that cultural context, music, and lyrics combine to shape rap's meaning, the text assumes no prior knowledge. For students of all backgrounds, *Listening to Rap* offers a clear and accessible introduction to this vital and influential music.

**Modern American Spiritualism** Feb 22 2020

**The Rap Year Book** Jul 21 2022 A New York Times–bestselling, in-depth exploration of the most pivotal moments in rap music from 1979 to 2014. Here's what *The Rap Year Book* does: It takes readers from 1979, widely regarded as the moment rap became recognized as part of the cultural and musical landscape, and comes right up to the present, with Shea Serrano hilariously discussing, debating, and deconstructing the most important rap song year by year. Serrano also examines the most important moments that surround the history and culture of rap music—from artists' backgrounds to issues of race, the rise of hip-hop, and the struggles among its major players—both personal and professional. Covering East Coast and West Coast, famous rapper feuds, chart toppers, and show stoppers, *The Rap Year Book* is an in-depth look at the most influential genre of music to come out of the last generation. Picked by *Billboard* as One of the 100 Greatest Music Books of All-Time Pitchfork Book Club's first selection

**Understand Rap** Nov 01 2020 Tongue-in-cheek translations of rap lyrics for the clueless! Rap songs are famous for their double entendres, clever turns of phrase, and general ingenuity, but that doesn't mean things always make sense the first time around. Enter *Understand Rap*, a funny pop-cultural reference based on the website of the same name, which dryly and precisely explains the confusing lyrics and terms used in rap songs—in language that even the most unhip person can understand! "Where has this book been all our lives?" —Geek Alerts

**Does God Listen to Rap?** Jan 15 2022 A lot of people think that if there is one style of music in the world that God hates, it has got to be rap. Some have even gone so far as to call rap, "An unclean thing before the Lord." They don't believe something originally associated with so much evil can ever be redeemed for God's glory. Lots of other people love and accept rap as their preferred form of musical expression. Many of these who are Christians can't imagine why God would have any issues with rap – at least, not with songs by believers that encourage and edify them in the faith. Who's right? And maybe more importantly, who cares? You should. And here's why. In the past 30 years, rap music has become a vital artistic and cultural force globally, and it's showing no signs of slowing down. Like it or not, you are probably exposed to rap in one form or another on a fairly regular basis. If you're interested in this book you may be a believer in Jesus who likes rap a lot, and as Christians, when we love something that is (if you hadn't noticed) closely associated with sin and rebellion, our justification for being involved with it really does need to go beyond, "Dude, this is good stuff." But maybe you're in a different category. Maybe you're a Christian parent, concerned that rap music may have a negative impact on your child. Maybe you're a youth pastor worried about having a rap concert at his church because of the potential pushback. Or maybe you're just a rap fan who is curious to see if there's even any biblical evidence for or against rap. To put it simply, if you've made it this far, this book is probably for you. *Does God Listen to Rap?* covers two areas. First, it presents a sociological history of the emergence and development of rap. If you enjoy rap and hip hop culture, you'll love this part of the book. Then the book explores the Scriptures to bring some biblical (not just personal or anecdotal) resolution to the question of God and rap. Ultimately, this involves a set of larger questions involving God and the arts. This is more than just an apologetic for rap music, this is a biblical way to think about how Christians can be in the world yet not of the world, and how they can express themselves to the glory of God. So, does God listen to rap? Come find out.

**The Alpha Rap** Dec 02 2020 *The Alpha Rap* was written because many kids like the beat and flow of this

literary genre and they don't have to be a Whitney Houston type singer to rap. Although some rap lyrics are discouraging, rap can instruct a constructive power and magnify the perception of children. Many attach a negative label to rap as derogative lyrics, but I yearned to demonstrate that a clean and clear teaching method can be successful through rapping. The Alpha Rap delivers information to heighten knowledge of the phonetic sounds of the alphabets to children by means of rapping. This book by the way of rapping creates a deeper understanding for individuals in learning the alphabets' sounds. The Alpha Rap is a learning tool to encourage children in learning how to read by teaching alphabets' sounds through rapping and visualizations.

**Rap on Trial** Feb 16 2022 A groundbreaking exposé about the alarming use of rap lyrics as criminal evidence to convict and incarcerate young men of color Should Johnny Cash have been charged with murder after he sang, "I shot a man in Reno just to watch him die"? Few would seriously subscribe to this notion of justice. Yet in 2001, a rapper named Mac whose music had gained national recognition was convicted of manslaughter after the prosecutor quoted liberally from his album *Shell Shocked*. Mac was sentenced to thirty years in prison, where he remains. And his case is just one of many nationwide. Over the last three decades, as rap became increasingly popular, prosecutors saw an opportunity: they could present the sometimes violent, crime-laden lyrics of amateur rappers as confessions to crimes, threats of violence, evidence of gang affiliation, or revelations of criminal motive—and judges and juries would go along with it. Detectives have reopened cold cases on account of rap lyrics and videos alone, and prosecutors have secured convictions by presenting such lyrics and videos of rappers as autobiography. Now, an alarming number of aspiring rappers are imprisoned. No other form of creative expression is treated this way in the courts. *Rap on Trial* places this disturbing practice in the context of hip hop history and exposes what's at stake. It's a gripping, timely exploration at the crossroads of contemporary hip hop and mass incarceration.

**What's Good?** Apr 06 2021 A love letter to the verbal artistry of hip-hop, *What's Good* is a work of passionate lyrical analysis.

**The Roots of Rap** Jun 27 2020 "Carole Boston Weatherford, once again, delivers a resounding testament and reminder, that hip-hop is a flavorful slice of larger cultural cake. And to be hip-hop-to truly be it—we must remember that we are also funk, jazz, soul, folktale, and poetry. We must remember that . . . we are who we are!" —Jason Reynolds, *New York Times* best-selling author "Starting with its attention-getting cover, this picture book does an excellent job of capturing the essence of rap . . . This tribute to hip hop culture will appeal to a wide audience, and practically demands multiple readings." —Booklist, **STARRED REVIEW** "No way around it, this book is supa-dupa fly, with lush illustrations anchored in signature hip-hop iconography for the future of the global hip-hop nation." —Kirkus Reviews, **STARRED REVIEW** "With short, rhyming lines and dramatic portraits of performers, the creative team behind *How Sweet the Sound: The Story of Amazing Grace* offers a dynamic introduction to hip-hop. . . . This artful introduction to one of the most influential cultural movements of the 20th century pulses with the energy and rhythm of its subject." —Publishers Weekly, **STARRED REVIEW** Explore the roots of rap in this stunning, rhyming, triple-timing book, now available as a board book! A generation voicing stories, hopes, and fears founds a hip-hop nation. Say holler if you hear. The roots of rap and the history of hip-hop have origins that precede DJ Kool Herc and Grandmaster Flash. Kids will learn about how it evolved from folktales, spirituals, and poetry to the showmanship of James Brown, to the culture of graffiti art and break dancing that formed around the art form and gave birth to the musical artists we know today. Written in lyrical rhythm by award-winning author and poet Carole Boston Weatherford and complete with flowing, vibrant illustrations by Frank Morrison, this book beautifully illustrates how hip-hop is a language spoken the whole world 'round.

**The Anthology of Rap** Apr 18 2022 From the school yards of the South Bronx to the tops of the "Billboard" charts, rap has emerged as one of the most influential cultural forces of our time. This pioneering anthology brings together more than 300 lyrics written over 30 years, from the "old school" to the present day.

**The History of Gangster Rap** Nov 20 2019 *The History of Gangster Rap* is a deep dive into one of the most fascinating subgenres of any music category to date. Sixteen detailed chapters, organized chronologically, examine the evolution of gangster rap, its main players, and the culture that created this revolutionary music. From still-swirling conspiracy theories about the murders of Biggie and Tupac to the

release of the 2015 film *Straight Outta Compton*, the era of gangster rap is one that fascinates music junkies and remains at the forefront of pop culture. Filled with interviews with key players such as Snoop Dogg, Ice-T, and dozens more, as well as sidebars, breakout bios of notorious characters, lists, charts, and more, *The History of Gangster Rap* is the be-all-end-all book that contextualizes the importance of gangster rap as a cultural phenomenon.

**Rap to Mars** Dec 22 2019 *Rap to Mars*, a book of poetry, satire, and prose, attempts by words and art to dissect and sift through diverse aspects of the life of man in his quest to assert himself as the king or queen of the universe. This is even in spite of man's obvious lapses, frailties, and entrapment. During the course of various attempts, sometimes, success smiles on man. But when failures present themselves, arrogant and deceitful man refuses to accept his obvious limitations. Often, in his ever-willing efforts to deceive the more gullible, man in his cowardice plays the monkey that uses the cat's paws to extract nuts from the fire. From a safe distance, the minion, man, details his more gullible fellow men to sacrifice themselves and others in silly and assumed defense of the Almighty Maker. The martyr and suicide bomber along with their victims become the willing and unwilling by-products. But even in spite of his sometimes comical shenanigans, man, who unsuccessfully plays the angel on Earth, remains man and suffers or causes others to suffer the pains arising from a perpetual struggle between the good and the bad as represented in *Rap to Mars* by Earth's angels, suicide bombers, and whores. At the end of the day, man, mere mortal man, still finds himself trapped in his self-imposed cocoon of a shanty or a mansion. In the latter, man again plays the elitist parent of a lone child while the downtrodden find their pleasure by doggedly obeying the injunction of increase and multiply. *Rap to Mars* is a mixed grill of fun, challenges, and what the evolving society was, what it is, and what it should fight hard not to be.

**Blowin' Up** Mar 05 2021 Dr. Dre. Snoop Dogg. Ice Cube. Some of the biggest stars in hip hop made their careers in Los Angeles. And today there is a new generation of young, mostly black, men busting out rhymes and hoping to one day find themselves "blowin' up"—getting signed to a record label and becoming famous. Many of these aspiring rappers get their start in Leimart Park, home to the legendary hip hop open-mic workshop Project Blowed. In *Blowin' Up*, Jooyoung Lee takes us deep inside Project Blowed and the surrounding music industry, offering an unparalleled look at hip hop in the making. While most books on rap are written from the perspective of listeners and the market, *Blowin' Up* looks specifically at the creative side of rappers. As Lee shows, learning how to rap involves a great deal of discipline, and it takes practice to acquire the necessary skills to put on a good show. Along with Lee—who is himself a pop-locker—we watch as the rappers at Project Blowed learn the basics, from how to hold a microphone to how to control their breath amid all those words. And we meet rappers like E. Crimsin, Nocando, VerBS, and Flawless as they freestyle and battle with each other. For the men at Project Blowed, hip hop offers a creative alternative to the gang lifestyle, substituting verbal competition for physical violence, and provides an outlet for setting goals and working toward them. Engagingly descriptive and chock-full of entertaining personalities and real-life vignettes, *Blowin' Up* not only delivers a behind-the-scenes view of the underground world of hip hop, but also makes a strong case for supporting the creative aspirations of young, urban, black men, who are often growing up in the shadow of gang violence and dead-end jobs.

**The Century Dictionary and Cyclopedia** Jan 03 2021

**Hip Hop Versus Rap** May 07 2021 'What is the real hip hop?' 'To whom does hip hop belong?' 'For what constructive purposes can hip hop be put to use?' These are three key questions posed by hip hop activists in *Hip Hop Versus Rap*, which explores the politics of cultural authenticity, ownership, and uplift in London's post-hip hop scene. The book is an ethnographic study of the identity, role, formation, and practices of the organic intellectuals that populate and propagate this 'conscious' hip hop milieu. Turner provides an insightful examination of the work of artists and practitioners who use hip hop 'off-street' in the spheres of youth work, education, and theatre to raise consciousness and to develop artistic and personal skills. *Hip Hop Versus Rap* seeks to portray how cultural activism, which styles itself grassroots and mature, is framed around a discursive opposition between what is authentic and ethical in hip hop culture and what is counterfeit and corrupt. Turner identifies that this play of difference, framed as an ethical schism, also presents hip hop's organic intellectuals with a narrative that enables them to align their insurgent values with those of policy and to thereby receive institutional support. This enlightening volume

will be of interest to post-graduates and scholars interested in hip hop studies; youth work; critical pedagogy; young people and crime/justice; the politics of race/racism; the politics of youth/education; urban governance; social movement studies; street culture studies; and vernacular studies.

Houston Rap Aug 10 2021 The Houston, Texas, neighborhoods of Fifth Ward, Third Ward and South Park have grown to be hallowed ground for modern rap culture, populated with celebrities, entrepreneurs, support networks and a micro-economy of their own. Photographer Peter Beste (photographer of "True Norwegian Black Metal") and writer Lance Scott Walker spent nine years documenting the most influential style in twenty-first-century hip hop and the vibrant inner city culture from which it stems. "Houston Rap," edited by Johan Kugelberg, profiles noted artists such as Bun B of UGK, Z-Ro, Big Mike, K-Rino, Willie D of the Geto Boys, Lil' Troy and Paul Wall, alongside reflections on the lives of departed legends such as DJ Screw, Pimp C and Big Hawk. The book also features community leaders, rappers, producers, businessmen and family members, all providing an astonishing and important insight into a great American cultural narrative. In addition to featuring Beste's previously unseen images of the contemporary Houston rap scene, "Houston Rap" includes a detailed timeline charting the growth of rap music in Houston from its origins to the present.

*How to Rap 2* Nov 25 2022 Praise for How to Rap: "Filled with real tools and overflowing with inspiration, this comprehensive how-to manual examines the art and craft of rap. . . . Both newcomers to rap and more experienced listeners and artists can gain insights in the time-honored tradition of learning from the past, as told straight from the artists' mouths. . . . Highly recommended." --Library Journal Featuring an array of rap techniques never before explained or cataloged--such as flams, triplets, lazy tails, and vibrato--HOW TO RAP 2 is a must-read for MCs looking to take their craft to the next level, as well as anyone fascinated by rapping and its complexity. Filled with exclusive insights from hip-hop's most innovative artists, such as Tech N9ne, Crooked I, The Pharcyde, Das EFX, Del the Funky Homosapien, and Big Daddy Kane, this book takes you through the intricacies of rhythm, rhyme, and vocal delivery, delving into the art form in unprecedented detail. Paul Edwards is a writer and researcher of hip-hop. He is regarded as a leading expert on hip-hop and rap, and has been referred to as "the Aristotle of hip-hop poetics" by internationally acclaimed and award-winning poet Dana Gioia. He is the author of How to Rap. Gift of Gab, of the group Blackalicious, is noted as one of the most dexterous and versatile MCs of all time.
