The Hemingway Log Aug 30 2020 Few if any writers have made a mark as broad and deep as Ernest Hemingway, whose life and work—and even image—continue to permeate American culture more than a half-century after his death in 1961. And never has there been a chronology of the writer's life and times as comprehensive, detailed, and useful as *The Hemingway Log*. For more than a dozen years, Brewster Chamberlin "has been compiling and wonderfully annotating and continuously updating what amounts to almost a daybook calendar of Hemingway's life," as author Paul Hendrickson noted in his acclaimed *Hemingway's Boat: Everything He Loved in Life, and Lost*. At long last available to readers and scholars, this chronology extends from the birth of Mark Twain (whose Huckleberry Finn, Hemingway said, was the source of all modern American literature) to the 2013 publication of the second volume (of a projected seventeen) of the Hemingway letters. Throughout, the events and dates that had any influence whatsoever on the writer are detailed day by day. Who won the Nobel Prize in literature each year, for instance, or the Pulitzer? What works of poetry, fiction, or drama were published? What was happening in the world and in the country, and how did it relate to Hemingway? Within this clarifying context, the chronological facts of the writer's own life and work unfold: literary production and publishing; travels and households; activities and relevant occurrences; relations with family, friends, lovers, and enemies. Drawing on biographies, memoirs, and various Hemingway collections and websites, as well as the full range of original sources such as letters, fishing logs, notebooks, and manuscripts, *The Hemingway Log* presents the most extensive and accurate chronology of Hemingway's life and times—and in the process clears up many of the inconsistencies and factual errors that riddle accounts of the writer's life and work. Any future scholar of Hemingway will find the book not just invaluable but absolutely necessary, and any serious reader of Hemingway will find it irresistible.

Leonard Maltin's 2014 Movie Guide Apr 25 2020 Summer blockbusters and independent sleepers; masterworks of Alfred Hitchcock, Billy Wilder, and Martin Scorsese; the timeless comedy of the Marx Brothers and Buster Keaton; animated classics from Walt Disney and Pixar; the finest foreign films ever made. This 2014 edition covers the modern era, from 1965 to the present, while including all the great older films you can't afford to miss—and those you can—from box-office smashes to cult classics to forgotten gems to forgettable bombs, listed alphabetically, and complete with all the essential information you could ask for. NEW Nearly 16,000 capsule movie reviews, with more than 300 new entries NEW More than 25,000 DVD and video listings NEW Up-to-date list of mail-order and online sources for buying and renting DVDs and videos NEW Completely updated index of leading performers MORE Official motion picture code ratings from G to NC-17 MORE Old and new theatrical and video releases rated **** to BOMB MORE Exact running times—an invaluable guide for recording and for discovering which movies have been edited MORE Reviews of little-known sleepers, foreign films, rarities, and classics AND Leonard's all-new personal recommendations for movie lovers • Date of release, running time, director, stars, MPAA ratings, color or black-and-white • Concise summary, capsule review, and four-star-to-BOMB rating system • Precise information on films shot in widescreen format • Symbols for DVDs, videos, and laserdiscs • Completely updated index of leading actors • Up-to-date list of mail-order and online sources for buying and renting DVDs and videos

The Israel-Palestine Conflict Jun 08 2021 One of the "10 Must-Read Histories of the Palestine-Israel Conflict" —Ian Black, Literary Hub, on the 100th anniversary of the Balfour Declaration The new edition of the acclaimed text that explores the issues continuing to define the Israeli-Palestinian conflict Numerous instances of competing, sometimes incompatible narratives of controversial events are found throughout history. Perhaps the starkest example of such contradictory representations is the decades-long conflict between Israel and Palestine. For over 140 years, Israelis, Palestinians, and scores of peacemakers have failed to establish a sustainable, mutually-acceptable solution. The Israel-Palestine Conflict introduces the historical basis of the dispute and explores both the tangible issues and intangible factors that have blocked a peaceful resolution. Author Neil Caplan helps readers understand the complexities and contradictions of the conflict and why the histories of Palestine and Israel are so fiercely contested. Now in its second edition, this book has been thoroughly updated to reflect the events that have transpired since its original publication. Fresh insights consider the impact of current global and regional instability and violence on the prospects of peace and reconciliation. New discussions address recent debates over two-state versus one-state solutions, growing polarization in public discourse outside of the Middle East, the role of public intellectuals, and the growing trend of merging scholarship with advocacy. Part of the Wiley-Blackwell Contested Histories series, this clear and accessible volume: Offers a balanced, non-polemic approach to current academic discussions and political debates on the Israel-Palestine conflict Highlights eleven core arguments viewed by the author as unwinnable Encourages readers to go beyond simply assigning blame in the conflict Explores the major historiographical debates arising from the dispute Includes updated references and additional maps Already a standard text for courses on the history and politics of the Middle East, *The Israel-Palestine Conflict* is an indispensable resource for students, scholars, and interested general readers.

Embattled Dreams Feb 22 2020 The State Librarian of California presents the sixth volume in "Americans and the California Dream," one of the great ongoing works of American cultural history. 38 halftones.

The Blood Crows Dec 14 2021 IF YOU DON'T KNOW SIMON SCARROW, YOU DON'T KNOW ROME! THE BLOOD CROWS is the unputdownable twelfth novel in Simon Scarrow's bestselling *Eagles of the Empire* series. A must read for fans of Bernard Cornwell. Praise for Simon Scarrow's gripping novels: 'Ferocious and compelling' *Daily Express* *Britannia*, AD 51. For nearly a decade, the Roman Empire has fought to assert its hold over Britannia. But relentless opposition from native tribes led by the fanatical King Caratacus threatens to destroy everything. Prefect Cato and Centurion Macro are dispatched from Rome to aid the campaign. Placed in command of an outpost in the remote western mountains, they face a challenge even more deadly than the unremitting attacks of barbarian forces. For they must wrench control of the fort from Centurion Quertus, a man who wages a savage personal war and inspires a loyalty in his men above their bond with Rome. With dangerous enemies on both sides, Cato and Macro face the fight of their lives to bring peace to the most perilous frontier in Europe.

By The Rivers Of Babylon Aug 18 2019 They were forced to meet by the rivers of Babylon... In Israel, two Concorde jets take off for a UN conference that will finally bring peace to the Middle East. Covered by F-14 fighters, accompanied by security men, the planes carry warriors, pacifists, lovers, enemies, dignitaries - and a bomb planted by a terrorist mastermind. Suddenly they're forced to crash-land at an ancient desert site. Here, with only a handful of weapons, the men and women of the peace mission must make a desperate stand against an army of crack Palestinian commandos - while the Israeli authorities desperately attempt a rescue bid. A story of compulsive excitement, rich in personal drama and political tension that must rank as one of the greatest of our times.

Ireland Feb 04 2021 Jill and Leon Uris came to Ireland looking for answers. Why was Ireland bled by one internal war after another? How can one country contain such greatness and grief? What they discovered was more than the Ireland of peat fires and pubs, of fabled Irish wit and the haunts of the banshees. What they found was a people--trapped in mutual mistrust, but with a courage and kindness that brought them through centuries of bitter occupation and civil dissension, in a land as complexly beautiful as the people themselves. This then is the Uris' "love song" to the Irish and to Ireland.

Talking Book Topics May 19 2022

Anna Karenina Mar 05 2021 Acclaimed by many as the world's greatest novel, Anna Karenina provides a vast panorama of contemporary life in Russia and of humanity in general. In it Tolstoy uses his intense imaginative insight to create some of the most memorable characters in all of literature. Anna is a sophisticated woman who abandons her empty existence as the wife of Karenin and turns to Count Vronsky to fulfil her passionate nature - with tragic consequences. Levin is a reflection of Tolstoy himself, often expressing the author's own views and convictions.

Representing Sylvia Plath Jul 09 2021 Interest in Sylvia Plath continues to grow, as does the mythic status of her relationship with Ted Hughes, but Plath is a poet of enduring power in her own right. This book explores the many layers of her often unreliable and complex representations and the difficult relationship between the reader and her texts. The volume evaluates the historical, familial and cultural sources which Plath drew upon for material: from family photographs, letters and personal history to contemporary literary and cinematic holocaust texts. It examines Plath's creative processes: what she does with materials ranging from Romantic paintings to women's magazine fiction, how she transforms these in multiple drafts and the tools she uses to do this, including her use of colour. Finally the book investigates specific instances when Plath herself becomes the subject matter for other artists, writers, film makers and biographers.

Jerusalem, Song of Songs Dec 26 2022 A magnificent historical tribute to the city of Jerusalem that encompasses the five turbulent millennia of its history, this book contains numerous photographs that illuminate every facet of the amazing city as documented by Jill and Leon Uris.

The Cruel Sea Oct 20 2019 The highly acclaimed 'Cruel Sea' is one of the all-time great naval and war thrillers. The film was a smash hit when released and it and the book continue to enjoy undiminished popularity. It covers the battle of the Atlantic and the people who fought it - their domestic triumphs, tragedies, worries and ambitions.

The Jewish American Novel Nov 20 2019 Philippe Codde provides a comparative cultural analysis of the unprecedented success of the Jewish novel in the postwar United States by situating the process and event in the context of three closely-related American cultural movements: the popularity in the US of French philosophical and literary existentialism, the increasing visibility of the Holocaust in US-American life, and the advent of radical theology. Codde argues that the literary repertoire of the postwar Jewish novel consists of an amalgam of these cultural elements that were making their mark in the political, religious, and philosophical systems of the United States at the time, and that this explains, in part, the Jewish novel's sweeping success in the American literary system.

The Bookseller Dec 22 2019 Vols. for 1871-76, 1913-14 include an extra number, The Christmas bookseller, separately paged and not included in the consecutive numbering of the regular series.

Hasidic Tales of the Holocaust Sep 30 2020 Derived by the author from interviews and oral histories, these eighty-nine original Hasidic tales about the Holocaust provide unprecedented witness, in a traditional idiom, to the victims' inner experience of "unspeakable" suffering. This volume constitutes the first collection of original Hasidic tales to be published in a century. "An important work of scholarship and a sudden clear window onto the heretofore sealed world of the Hasidic reaction to the Holocaust. Its true stories and fanciful miracle tales are a profound and often poignant insight into the souls of those who suffered terribly at the hands of the Nazis and who managed somehow to use that very suffering as the raw material for their renewed lives." -- Chaim Potok

"A beautiful collection." -- Saul Bellow "Yaffa Eliach provides us with stories that are wonderful and terrible -- true myths. We learn how people, when suffering dying, and surviving can call forth their humanity with starkness and clarity. She employs her scholarly gifts only to connect the tellers of the tales, who bear witness, to the reader who is stunned and enriched." -- Robert J. Lifton "In the extensive literature on the Holocaust, this is a unique book. Through it we can attain a glimpse of the victims' inner life and spiritual resources. Yaffa Eliach has done a superb job." -- Jehuda Reinharz

Trinity Sep 23 2022 From the acclaimed author who enthralled the world with *Exodus*, *Battle Cry*, *QB VII*, *Topaz*, and other beloved classics of twentieth-century fiction comes a sweeping and powerful epic adventure that captures the "terrible beauty" of Ireland during its long and bloody struggle for freedom. It is the electrifying story of an idealistic young Catholic rebel and the valiant and beautiful Protestant girl who defied her heritage to join his cause. It is a tale of love and danger, of triumph at an unthinkable cost -- a magnificent portrait of a people divided by class, faith, and prejudice -- an unforgettable saga of the fires that devastated a majestic land . . . and the unquenchable flames that burn in the human heart.

The Spirit that Moves Us Jan 15 2022 For high school students, who can be both impassioned and impressionable, the study of the Holocaust encourages discussion about prejudice and justice, shame and dignity, hopelessness and faith, and engages them in debate about the moral and ethical behavior of humankind. Introducing students to the personal narrative, fiction, and poetry allows them to hear a narrative voice recount not only the facts of this historical time, but also helps them understand the emotions surrounding the events of the Holocaust. The chapters on music and art act as supplemental material for lessons on the literature. By sharing their ideas, debating the issues, and researching the historical facts, students learn to find their true and honest voices and to listen to the voices around them. This resource guide's lesson plans and suggestions for writing and research projects are designed to reach all levels of academic study. Featured stories and books include "The Last of the Just"; "The Quay"; "A Scrap of Time"; *Stones from the River*; *Seed of Sarah*; *Night*; *This Way for the Gas, Ladies and Gentlemen*; *If Not Now, When?*; *The Shawl*; and *Maus*. All chapters have a brief plot summary of the piece of literature and include analysis of symbol, imagery, language, and style and their roles in developing a historical understanding of the Holocaust years. Additional chapters explore the art and music of the Holocaust. The guide contains a select bibliography and research sources, glossaries, character lists, and suggested reading for teachers and students. A list of documentary and artistic films is also included.

Our American Israel Apr 06 2021 How did a Jewish state come to resonate profoundly with Americans in the twentieth century? Since WWII, Israel's identity has been entangled with America's belief in its own exceptionalism. Turning a critical eye on the two nations' turbulent history together, Amy Kaplan unearths the roots of controversies that may well divide them in the future.

The Cambridge Companion to American Travel Writing Nov 01 2020 A stimulating overview of American journeys from the eighteenth century to the present.

Absent the Archive Dec 02 2020 *Absent the Archive* is the first cultural history devoted to literary and visual representations of the police massacre of peaceful Algerian protesters. This corpus, or archive, includes a variety of cultural texts whose formal, diegetic, and discursive strategies represent the massacre and its erasure, its "becoming invisible," and its afterlives as a trace, a memory, a sign.

My Promised Land Sep 11 2021 NEW YORK TIMES BESTSELLER • NAMED ONE OF THE BEST BOOKS OF THE YEAR BY THE NEW YORK TIMES BOOK REVIEW AND THE ECONOMIST Winner of the Natan Book Award, the National Jewish Book Award, and the Anisfield-Wolf Book Award An authoritative and deeply personal narrative history of the State of Israel, by one of the most influential journalists writing about the Middle East today Not since Thomas L. Friedman's groundbreaking *From Beirut to Jerusalem* has a book captured the essence and the beating heart of the Middle East as keenly and dynamically as *My Promised Land*. Facing unprecedented internal and external pressures, Israel today is at a moment of existential crisis. Ari Shavit draws on interviews, historical documents, private diaries, and letters, as well as his own family's story, illuminating the pivotal moments of the Zionist century to tell a riveting narrative that is larger than the sum of its parts: both personal and national, both deeply human and of profound historical dimension. We meet Shavit's great-grandfather, a British Zionist who in 1897 visited the Holy Land on a Thomas Cook tour and understood that it was the way of the future for his people; the idealist young farmer who bought land from his Arab neighbor in the 1920s to grow the Jaffa oranges that would create Palestine's booming economy; the visionary youth group leader who, in the 1940s, transformed Masada from the neglected ruins of an extremist sect into a powerful symbol for Zionism; the Palestinian who as a young man in 1948 was driven with his family from his home during the expulsion from Lydda; the immigrant orphans of Europe's Holocaust, who took on menial work and focused on raising their children to become the leaders of the new state; the pragmatic engineer who was instrumental in developing Israel's nuclear program in the 1960s, in the only interview he ever gave; the zealous religious Zionists who started the settler movement in the 1970s; the dot-com entrepreneurs and young men and women behind Tel-Aviv's booming club scene; and today's architects of Israel's foreign policy with Iran, whose nuclear threat looms ominously over the tiny country. As it examines the complexities and contradictions of the Israeli condition, *My Promised Land* asks difficult but important questions: Why did Israel come to be? How did it come to be? Can Israel survive? Culminating with an analysis of the issues and threats that Israel is currently facing, *My Promised Land* uses the defining events of the past to shed new light on the present. The result is a landmark portrait of a small, vibrant country living on the edge, whose identity and presence play a crucial role in today's global political landscape. Praise for *My Promised Land* "This book will sweep you up in its narrative force and not let go of you until it is done. [Shavit's] accomplishment is so unlikely, so total . . . that it makes you believe anything is possible, even, God help us, peace in the Middle East."—Simon Schama, *Financial Times* "[A] must-read book."—Thomas L. Friedman, *The New York Times* "Important and powerful . . . the least tendentious book about Israel I have ever read."—Leon Wieseltier, *The New York Times Book Review* "Spellbinding . . . Shavit's prophetic voice carries lessons that all sides need to hear."—*The Economist* "One of the most nuanced and challenging books written on Israel in years."—*The Wall Street Journal*

Leonard Maltin's Movie Guide Jan 23 2020 Previously published as *Leonard Maltin's 2015 Movie Guide*, this capstone edition includes a new Introduction by the author. (Note: No new reviews have been added to this edition) Now that streaming services like

Netflix and Hulu can deliver thousands of movies at the touch of a button, the only question is: What should I watch? Summer blockbusters and independent sleepers; the masterworks of Alfred Hitchcock, Billy Wilder, and Martin Scorsese; the timeless comedy of the Marx Brothers and Woody Allen; animated classics from Walt Disney and Pixar; the finest foreign films ever made. This capstone edition covers the modern era while including all the great older films you can't afford to miss—and those you can—from box-office smashes to cult classics to forgotten gems to forgettable bombs, listed alphabetically, and complete with all the essential information you could ask for. With nearly 16,000 entries and more than 13,000 DVD listings, Leonard Maltin's *Movie Guide* remains "head and shoulders above the rest." (The New York Times) Also included are a list of mail-order and online sources for buying and renting DVDs and videos, official motion picture code ratings from G to NC-17, and Leonard's list of recommended films.

Zelda Popkin May 27 2020 Zelda Popkin's adventurous life could have made her the protagonist of one of her own novels. In his brilliant telling of the story of her life, her historian grandson, Jeremy D. Popkin, has made a singular contribution to the history of American Jewish women in the twentieth century. From the 1920s when she worked in the highly competitive and male-dominated public relations business to her rise as a million selling author of popular fiction beginning in the 1940s, including some of the earliest fiction on the Holocaust and the state of Israel, Zelda's life and work documented the rise of American Jewish women. Popkin uses Zelda's experience to bring to life a larger story of American Jews and American women in the twentieth century, with the vividness that comes from having a lively character at its center. At the same time, this will also be a story about a woman whose powerful personality profoundly influenced several generations of a family. Popkin makes the case that even if she sometimes burnished her stories to create what he calls "legends of Zelda," she was one of the most articulate female members of the generation of Jews who fought their way into the American middle class during the decades of the 1920s and 1930s. Zelda's life is a rich source of evidence about the experience of American Jewish women and offers perspectives that are frequently at odds with analyses based on men's lives. The story of Zelda, her generation, and its rich and significant legacy will create a compelling portrait and detailed tapestry of an iconic woman and her time.

Leonard Maltin's 2013 Movie Guide Mar 25 2020 NEW More than 16,000 capsule movie reviews, with more than 300 new entries NEW More than 13,000 DVD and 13,000 video listings NEW Up-to-date list of mail-order and online sources for buying and renting DVDs and videos NEW Completely updated index of leading performers MORE Official motion picture code ratings from G to NC-17 MORE Old and new theatrical and video releases rated **** to BOMB MORE Exact running times—an invaluable guide for recording and for discovering which movies have been edited MORE Reviews of little-known sleepers, foreign films, rarities, and classics AND Leonard's personal list of fifty notable debut features Summer blockbusters and independent sleepers; masterworks of Alfred Hitchcock, Billy Wilder, and Martin Scorsese; the timeless comedy of the Marx Brothers and Buster Keaton; animated classics from Walt Disney and Pixar; the finest foreign films ever made. Just as World War II threatens to break out, Mike Morrison arrives in Greece to collect his late wife's inheritance. Hoping to quickly finish his business and leave before German troops invade, Morrison's plans are derailed when he receives a letter listing the names of Greek patriots pretending to be German collaborators, a list Nazi strategists desperately need. With the outcome of the war hinging on Morrison's ability to protect the letter, he embarks on an adventure across Greece in an effort to evade Nazi troops and keep the letter from falling into enemy hands.
